Schedule “A”

Town of Teulon By-Law No. 1-2023
Special Services Plan #1-2023

For Waste and Recyclable curbside collection, removal and disposal service within the Town of Teulon (Pursuant to Subsection 314 of The Municipal Act)

a) Description of the Proposed Special Service

In 2002, Town council passed the Waste Management System By-law No. 5/02 establishing waste and recycling operations. By-law No. 5/02 included a provision, section 4.02, to levy a special rate for these services. As these rates have and continue to require adjustment, to adhere to the requirements under The Municipal Act, Council repealed section 4.02 of By-law No. 5/02 with By-Law No. 2/18. In 2021 Council repealed By-law 2/18 and passed By-law 3/21 for the years 2021 and 2022. Council is now repealing By-law 3/21, which has expired with By-law 1-2023 for the years 2023 and 2024 thereby establishing a special service by-law to provide for the proper authority to levy a special service tax.

This proposed special service plan replaces special services plan and rates established in By-Law No. 3/21 which were set for the years 2021 and 2022.

The proposed special service will set-up rates for waste and recyclable curbside collection, removal and disposal service for residential and institutional properties for 2023 and 2024.

b) The Special Service Area to be Levied
