

TOWN OF TEULON

COVID-19 UPDATE # 2

March 19

The Council of the Town of Teulon has made the difficult decision to conduct, until further notice, all Council and Committee Meetings through Video Conferencing. Unfortunately, this will mean that future meetings of the Council will not be open to the public in order to respect the desire of our citizens to practice “social distancing”.

The agenda’s plus all relevant background information for all meetings, will be published on the Town of Teulon Website in an attempt to ensure our citizens are as well informed as possible with regard to the business of the community.

Although all Public Hearings, for the foreseeable future, are cancelled should any individual desire to speak to the members of Council regarding anything on the agenda we will attempt to make the necessary arrangements through telephone conferencing. The necessary arrangements must be made a minimum of five (5) days prior to the meeting through the office of the Chief Administrative Officer by calling (204) 886-2314.
