In the event that an animal is causing an immediate risk to any person, property or any other animal, the Animal Control Officer is authorized to apprehend and impound the said animal notwithstanding that it has not been declared to be a dangerous animal by Council at the time of its apprehension and impoundment.
- 14(2) When the Animal Control Officer impounds an animal under this Section 14 for the purpose of destruction of the animal, he shall give the owner written notice, delivered to the last known address of the owner, that the animal will be destroyed after the expiry of ten (10) days from the date of the notice. - 15(6) If no person claims the livestock within ten (10) days of the date of the notice of impoundment, or if the owner has not paid the costs and fines referred to in subsection 15(5), the Animal Control Officer may sell or otherwise dispose of the livestock without further notice to the owner, the proceeds of which shall be paid to the general funds of the Town.

PART VII: RESTRICTED ANIMALS

Prohibition on restricted animals

- 16(1) Except as may be permitted by the Town's zoning by-law in effect from time to time, no person shall keep, harbour, possess or control any restricted animal within the Town without a permit issued by Council.

Provided however, that Council need not give notice of an application from the owner or operator of a travelling show to keep a restricted animal in the Town on a temporary basis for a period not exceeding ten (10) continuous days, but shall consider the application at a regularly scheduled meeting of Council following receipt of the application. Council shall decide based on the application and any written or oral submissions of the applicant, whether or not to grant a permit to the applicant to keep or harbour the restricted animal within the Town and shall advise the applicant in writing of their decision. Council may impose conditions upon a permit to keep or harbour a restricted animal and any violation of such conditions by the owner shall invalidate the permit provided by Council and shall constitute an offence under this By-Law.

Temporary impoundment

- 16(3) If deemed necessary in the interests of public safety, the Animal Control Officer may apprehend and impound any restricted animal pending the outcome of any hearing to decide an application made pursuant to Subsection 16(2) hereof.

Inventory of restricted animals

- 16(4) Any owner who has been granted permission by Council to keep one or more restricted animals within the Town shall, on an annual basis and on the form prescribed by Council from time to time for this purpose, provide Council with an inventory of the restricted animals kept by the owner within the Town, together with the annual permit fee as set out in Schedule "A" hereto attached.
- 16(5) Council may at any time and from time to time change the conditions that an owner must satisfy in order to keep a restricted animal, and any failure to comply with any such condition upon notice thereof shall invalidate the owner's permit to keep the restricted animal within the Town.
- 16(6) (a) Any person who keeps, harbours or has possession or control of a restricted animal in the Town on or before the time that this By-Law comes into force or effect, shall have thirty (30) days from the coming into effect of this By-Law to obtain a permit from Council to continue to keep the restricted animal, failing which the owner shall sell or give the restricted animal to a person outside of the Town or shall otherwise dispose of the restricted animal in a manner which ensures that the restricted animal is no longer within the Town. Any such sale, gift or disposition shall be in accordance with all laws, rules and regulations which may pertain to the sale or disposition of restricted animals, and the Town accepts no responsibility for the manner of sale or disposition.
- (b) Council may grant such longer period of time to an owner of a restricted animal who falls within Subsection 16(6)(a) hereof as may be necessary to allow Council adequate time to consider and decide the owner's application to retain the restricted animal within the Town.

Order to dispose of restricted animal

- 16(7) Where the Animal Control Officer has reasonable grounds to believe that a person is keeping or harbouring, or has possession or control of, a restricted animal within the Town without the written permission of Council, the Animal Control Officer shall serve the person with an order in writing to dispose of the restricted animal within fourteen (14) days of receipt of the order or such shorter period of time as the circumstances may require and the order may provide, in which case the owner shall sell, give away or otherwise dispose of the restricted animal in accordance with Subsection 16(6)(a) and any conditions imposed in the order of the Animal Control Officer. Provided however, that if the owner has not already applied and been denied a permit to keep or harbour the restricted animal, the owner may make such an application in accordance with Subsection 16(2), and the order of the Animal Control Officer shall be suspended pending the decision of Council.
- 16(8) The onus shall be on the person upon whom an order pursuant to Subsection 16(7) has been served to establish either that: (a) the animal is not a restricted animal; or (b) the person has a permit from Council to keep or harbour the restricted animal.

- 16(9) Where the person has failed to establish either that the animal is not a restricted animal or that he has a permit from Council to keep or harbour the restricted animal, and the person has failed or refused to dispose of the restricted animal within the time frame contemplated by the order of the Animal Control Officer, the Animal Control Officer may seek an order or warrant from a provincial court judge, magistrate or justice of the peace, as required, to enter upon the land and premises of that person for the purpose of removing and disposing of the restricted animal. The Animal Control Officer may engage the assistance of other persons if required to safely apprehend the restricted animal.
- 16(10) Upon apprehension and impoundment of a restricted animal, and provided that: (a) a written order was duly served on the owner as required by Subsection 16(7); and (b) if an application for the written permission of Council to retain the restricted animal has been heard and denied by Council or no application for permission to retain the restricted animal has been made to Council; Council may proceed to order the animal destroyed or sold, and the Animal Control Officer shall carry out the order of Council. The owner shall be liable for all costs associated with apprehension, impoundment and destruction or sale of the restricted animal. If the proceeds of sale exceed any such costs and any fines imposed upon the owner for breach of this By-Law, then the Town shall refund the excess proceeds to the owner.
